ASAHI COULD SOON SURPASS YOU.
...ASAHI... HAS TAKEN THE LEAD?

IT'S NOT JUST WHERE THE OPPONENT WILL HIT IT...
SHE'S ALSO MOVING ACCORDING TO WHERE I SHOOT THE SHUTTLE...
YOU SHOULD READ THE OPPONENT'S MOVEMENTS
DON'T PLAY RELYING ON YOUR STRENGTH.

UMI...?
Alright!
I...
I want to play a game against her one day.

You want to play against female opponents?
I see, that's it!
I FOUND A WAY TO MAKE HIM COME TO CLUB PRACTICE!
THE FIRST SET.
WITH ASAHI TAKING THE LEAD FOR THE FIRST TIME, AOZORA JUNIOR HIGH WINS THE FIRST SET.

HOWEVER,
HAYAKAZE JUNIOR HIGH COMES BACK TO WIN THE NEXT 2 SETS AND WIN THE GAME.
21-13
Hayakaze Junior High.
2ND MATCH.
KEI-CHAN PERSEVERED TO THE END, BUT THE GAME WENT TO HAYAKAZE.

Haya-kaze Junior High 3-0
Thanks for the match.
AFTER HAVING ALREADY LOST THE TEAM COMPETITION, THE 3RD MATCH FELL HAYAKAZE'S WAY AS WELL.
Hay-akaze Junior High 21-9
You evil being.
It's true, isn't it?
It seems you really can't keep up with Umi
As I said, you are a puny club

I have a feeling that our next match will be more amazing.
However, I was amazed by your progress
I don't really know anything about you
When did you start playing badminton?
Since when were you paired with Honjou?
EH!?
YOU'RE TALKING ABOUT ME!?

?
I see.
You've shown us an interesting match.
EHM... I ONLY STARTED LAST MONTH
THE FIRST TIME I PROPERLY PAIRED WITH UMI WAS DURING THIS PRACTICE MATCH
You've got good reflexes
If you keep practicing, you'll be able to play using your senses even more.
I'm looking forward to seeing how much better you've become during your next match.

You've gained some experience in this practice match

You might have lost, but you should ask yourselves "Why did we lose?"

You have to find your own weakness.

That will be the foundation for further improvement

This is only the beginning for the 5 of you.

What are you being so anti-social for!?
Umi, do you have something you need to do?
I'll pass.
Let's bring our spirits up and go out to eat, shall we?
prac-tice?
Yeah Practice
I don't want to lose to Asahi.
I'm going to do some personal practice.

Hey, dad...
E-eh!? But you're the better player! I'm inferior in comparison to you!
Up till now, I thought I just wanted to have fun playing badminton.
I was having fun deciding matches with my strong smashes.
But,
I think I understand what you told me during today's match.
ASAHI COULD SOON SURPASS YOU

I don't think that going on like this is good for me.
I WANT TO IMPROVE ...
I WANT TO BECOME A BETTER PLAYER.

Eh...
Asahi, did you notice that you took the lead in today's match?
I'm definitely not as good as you all make me out to be.
So you should improve, too.
I'll do my best not to lose to you, Asahi.

If you improve, my bar will be put higher and higher.
-DOES THIS MEAN...
THAT UMI ACKNOWLEDGES ME AS A GOOD PLAYER...?

Okay!
Hey, they forgot all about us!
It seems like it was a good idea to have them pair up.
Asahi looks at Umi and wants to improve
Umi looks at Asahi and wants to improve.

AND WE RETURNED TO OUR EVERYDAY PRACTICE.
BUT,
Seito-senpai doesn't go to club practice?
Please persuade him to come to practice!
I beg of you!
Why are you asking Asahi?
He's been interested in Asahi,
that's why I think he might come if she asks him to
Also, you're disturbing practice
...
Eh...
Wait,
What does Seito-senpai want with Asahi?

No, no
Asahi, did you do something that would get you on his mind...?
Beats me
He just said he thought it interesting to play a game against her
Ehm...
Why doesn't Seito-senpai go to practice?
He said, "I've had it with Badminton" and just left
どかっ
This is Seito when he was in 1st grade.

I KNOW THIS ARTICLE...
...I SEE, THAT'S WHY I THOUGHT I'D SEEN HIM BEFORE...
His speed, his skill...
He's got everything I want to attain, yet he's not even coming to practice
WHY DID HE STOP?
HE USED TO BE SO GOOD...

I KNOW I SHOULDN'T BE ASKING YOU THIS,
BUT I REALLY WANT TO PLAY BADMINTON WITH HIM!
!!
There isn't anyone else who lifts my spirit up when playing with them as much as him.
There's nobody who makes a better pair with me.
I FEEL LIKE I CAN IMPROVE A LOT IF I PLAY WITH HIM.

SHE'S WHAT MAKES ME WANT TO IMPROVE.
I TOO... CAN DO MY BEST BECAUSE UMI'S THERE.
IT MUST BE THE SAME FOR TAIYOU-SENPAI.
SEITO-SENPAI!
はぁはぁ
What...?
I HOPE THIS GOES WELL.
Eh, Well

Won't you come to club practice starting today!?
She's so direct
Ha?
What is this, suddenly
Well
I was asked by Taiyou-senpai to persuade you—
HIM AGAIN...
Ehm... Why don't you go to practice?
You're good enough to even be written about in an article

It's my choice.
But Taiyou-senpai told me!
That his spirits lift up when playing badminton with you.
That there's nobody else thatd make a better pair with him...
Don't you think that it's fun to play, or that you'd like to play badminton more often?
Do you think differently?
Thats just in the beginning.
When I get started, it gets boring easily.

I don't understand why he wants to play it so bad.
BUT ...
Is that so
!!!
Give me a reason
why I should do my best and go to practice.
If you're so persistent, then tell me.

HE THOUGHT IT INTERESTING TO PLAY A GAME AGAINST HER
はっ
Give me a good reason, and I might just go to practice.
W-...
Well then, please play a game against
I think it's fun when I can play a good match.
I want to improve when I see Umi play...

Those are my reasons for playing Badminton.
Please pair up with Taiyou-senpai one more time,
and play a game against Umi and I.
Hmm ...
I'm looking forward to it.

The follow-up is perfect too
Seito always manages to lead the game
We'll play smart Seito always places shots to make me able to return them easily
I have the feeling that I'll become much better when I play with Seito.
...
And play a doubles match against Umi and me.
Please team up with Taiyou-senpai one more time.

Why a doubles' match?
even boys versus girls
There was no other way to get Seito-senpai to play
Well, to liven things up a bit... or something...
Well, I'm fine with it if you are
You told him well, Asahi-chan!
With this, I can play badminton with him again!!

I'LL STOP AFTER THIS ONE MATCH.
I'M JUST NOT AS WILD ABOUT THE GAME AS HE IS
I don't think we can afford to lose this match.
But, now that we're playing, we might as well win!
y-yeah.
We won't lose!
Asahi?

Q 画材はどこで買ってますか？

A 自分で行く時は新宿の世界堂とTOOLSに行ってます。
トーンを大量に頼む時は「日本漫画学院」様の通販に頼ってます。

Q 中学の時は何部でしたか？

A ボランティア部と美術部です。
変わった中学で、学校の5階へ10段が老人ホームになっていたので、毎週お手伝いに行ってました。

What are you all gathering here for?
Some guys are playing badminton.

Seito-senpai is playing badminton!
Why? It's lunch break!
Umi and Asahi are playing against those upperclassmen.
It's because Seito-senpai plays such powerful shots
Asahi, are you okay?
I... I'm sorry, Umi.

Hey, I should've returned that shuttle!
And you hit the net!
I thought you weren't going to hit it..
Ah!?
What was that!?

I SEE FROM THE BEGINNING SEITO-SENPAI'S GAME
Umi, play all the next shuttles to Taiyou-senpai.
...
eh...
From the very beginning,
Seito-senpai hasn't been paying attention to Taiyou-senpai...
Such a doubles' game definitely isn't fun.
.....

Hey, Seito!
Stop hogging every shuttle!

You're just not picking up any shuttles
—I haven't been doing that
I've improved a bit too
Just trust my skills a little,
Ah, is that so.
Mmm ...

Q.なぜマンガ家になりたいと思ったのですか？

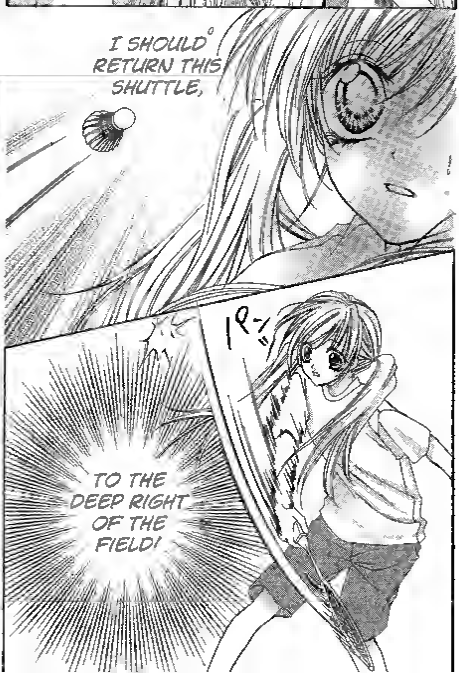
A.この質問は1番よく聞かれます。
小学生の時に「ふしぎ遊戯」という、マンガとアニメにハマって自分も描き始めたのがキッカケです。
今の私があるのは
この作品のおかげなので
出会えたことに本当に
感謝してます。

Q.今までのお通夜パンパンはもらえるんですか？もらえるならほしいんですが…。

A.いえ、すみません。
さし上げたいのですが
その度下したてに戻った
読者さんに送り終わると
全部捨ててしまってて…。
原稿自体も…。
（後から見ると恥ずかしいので）
なので送れません…
すみません…。

Q.まりっぺはバドガールで誰が好きですか？描きやすいキャラ、描きにくいキャラとかいますか？

←6につづく。



6
A. もちろんみんな好きですが、性格では圭ちゃんの1番冷静に話ができそうなんでい(笑)
描きやすいのは羽海とか太陽とか 自分で動くタイプで、描きにくいのは晃斗とか すみませんー。
クールだとなかなかしゃべってくれなくて難しいですぃ。
Q. ストレス解消はなんですか?
A. 連載中は原稿明けにネイルアートをやりに行ってました!
あとは、普段スッピンスウェットで引きこもっているので、ヘアメイクをちゃんとして出かけるのが1番のストレス解消法です!
(みんなあたり前にしてることだとは思いますが……ら)
ちなみにメイク時間、驚異くのに40分かかる。
スペースがないのでこのへんにさせて頂きます〜。

Why are people gathering here?
Should we take a look?
This is an amazing game...!
They're not just exchanging blows...

THEY READ THE COURSE OF THE GAME.
THEY DELIBERATELY AIM FOR DIFFICULT TO REACH PLACES.

THEY READ THE FLOW OF THE GAME AGAIN AND RETURN THE SHUTTLE.
THEN THEY RETURN.

HOW LONG WILL IT LAST!?
THIS RALLY IS
AMAZING...
CAPTIVATING...

Ehm …
Seito-senpai.

Didn't you find the game just now to be fun?
We managed some sophisticated plays
Our combinations were really good as well...
.....
Seito, I think playing badminton with you is fun.
I always wonder what you'll do next.
I always think it's amazing how you can lead a game.
It thrills me to think when I'll catch up with you.

I won't just let you say that it's all over with this.
You don't know what's going to happen after this!
Come on.
Let's play together again.
I can still improve.
What's that supposed to mean
I can't put it in words!

I HAD TO SAVE YOUR ASS A BUNCH OF TIMES DURING THE MATCH!
STOP LOOKING AT ME AS IF I WAS ONLY IN YOUR WAY!
Mmm.
You were just lucky.
WH-AT!?
THE NEXT DAY.
SEITO-SENPAI SHOWED UP FOR CLUB PRACTICE, WHICH SURPRISED ALL THE CLUB'S MEMBERS.
Seriously?
Hey, Serto's here!

First apologize!
I-
IDIOT!
APOLOGIZE TO THE COACH FOR WHAT YOU JUST SAID!
I think he shouldn't be at the low level he's at, so I'll be joining practice
.....
I'm sorry, please let him join
You think this'll work?

Taiyou-senpai...
Thanks.
COME ON, YOU THANK HER TOO.
Asahi-chan~
Why ever Me?
Why should I?
Eh
I didn't really do anything...
.....
More importantly,
Seito-senpai, why did you want to play a match against me?
I am not really that good
And I'm bad at sports in general
.....

Your intuition.
I thought ...
"Her play is different than others; how interesting."
That's what got me interested.
Asahi?
What are you smiling about?

I was just thinking how happy I am for Taiyou-senpai and Seito-senpai.
And how good it felt playing against them yesterday
I just think that playing a match that makes me feel so good...
Is really fun.
I see.
Then it's a good thing I invited you to join our club.
Yeah!
I always said 'I'd do my best', even though I had no real self-confidence.
I generally paid more attention to others than myself

I'm glad you started playing as well.
But I feel as if badminton has changed all that for me.
That's why I'm glad I started playing badminton
There's something I became aware of thanks to you
Thank you, Asahi.
ON THAT DAY...

AND I FOUND A PLACE WHERE I CAN SHINE.
I FOUND A PLACE WHERE I CAN MOVE FORWARD.
FROM NOW ON, TOGE-THER WITH YOU,
WE'LL MOVE FORWARDS AND UPWARDS...
RIGHT HERE.
Badminton Girl, The End.
